4th	Marvin Loyd - John Titsworth	66

Closest To Hole

#3	Craig Cosgrove
#7	Doug Duke
#13	Bryan Williams

Everyone had a great time and lest we forget, ***thanks to Café Savannah for sharing the Groovin' on the Greens festivities with us.*** That was a great treat! OK guys, make plans now to participate in next years Member/Guest tournament and convince your friends to join us for another great event. Only you can make it better.

Next Event

Our next FRGC/MGA event is the Match Play Qualifier. This is how golf used to be played all the time and it is a great way to test your resolve and performance under pressure.

The date is Saturday, August 4th. Tee times will begin at 10:00 AM. The format is stroke play, 100% handicap. Low qualifiers will advance to Match Play in 16, 32, 48, or 64 player brackets, depending on the number of entries. I believe you all know how the system works. If not, call me and we can discuss it.

In last month's newsletter I said match play will begin on Monday, August 6 and you will have through the following Sunday to play the first round match. All subsequent match rounds will follow the same time table. ***Due to that being the week of the 89th PGA Championship, we will not start the matches until Monday, August 13.***

Get your entries in early to reserve a spot for the most fun you can have on a golf course. Until next time – ***See you on the course at Forest Ridge.***

Shanks of the Month

The rain has finally stopped for a while! The course is drying out fairly quickly and is enjoyable to play again. I think I have grown webs between my toes from wading water for two months! Let's remember to thank the greens crew for the fantastic job they have done in keeping the course in pretty darn good playing condition, given the circumstances.

Don't forget to repair your divots and ball marks!
