Event Results

Our last event was the "SUMMER FLING" flag event, played on my birthday, May 17th. I just turned 76 big ones and may be entering my second childhood. So, you had better watch out for my improved game that will be due to regaining my youth.

Here are the results:

"Mature" Flight

<u>Place</u>	<u>Name</u>	<u>Score</u>
1 st	James Howard James finished in the hole on #2	81
2 nd	Larry Brewer Larry finished 8" behind #18 hole	84
3 rd	Bill Shoemaker Bill finished 30" behind #18 hole	92

"Other" Flight

1 st	Gary Rosser Gary finished 165 yds. From #2 hole	82
2 nd	Craig Cosgrove Craig finished in the hole on #1	73
3 rd (t)	Brent Kashwer Marvin Loyd Both Brent & Marvin finished on the green on #1	80 86

Note: We called this one a tie for a couple of reasons; First, since the players had to advance to the front nine due to having strokes left after playing 18 holes, they were interspersed with non MGA players who were starting on #1. Unfortunately, one group of these players pulled up all the flags and threw them to the side of the green so we could not determine with any certainty which may have been nearer the hole. The second reason has to do with some confusion as to one player's handicap.

Closest to Par 3 Holes

#3 - Mike Minyard #7 - Robert Maldonado
#13 - Steve Roberts #15 - Kent Schlesselman

Shanks of the Month

The "unusual" weather continues to haunt us and conspires to keep the golf course wet and slow. The Greens crew continues to battle the forces of nature and as usual, have kept the course in a playable condition. Several of us have noted that our toes have started to resemble the webbed toes of ducks to better equip us for playing golf in nature's splash pool.

I must once more give the Forest Ridge Greens crew accolades for their almost *heroic* work in keeping the golf course in playable condition and I again urge you to give them your thanks for the great job they have done. They are the greatest!

In spite of all the rain, we have been getting in many rounds of golf and enjoy every minute, even when we play like the amateurs we undeniably are. So, come on out and join us - who knows? The weather man may be wrong again!

In the meantime -

See you on the course at Forest Ridge!
