Forest Ridge has probably the most active Men's Golf Association in eastern Oklahoma. This is not by accident. We work at it. At our annual meeting on August 14, we will have election of Officers and Committee Members. We welcome new ideas and leadership to improve the MGA.. Please call our current president, James Howard (286-2333), or our Tournament Chairman, Bob Meyers (266-2629) to become a part of the planning for our 2011 year to keep our MGA vital and growing.
