

## PLAYER OF THE YEAR AWARD

Members earn 10 points for every **FRGC/MGA** event in which they participate. In addition, points are awarded for the top 10 places as follows:

|            |            |
|------------|------------|
| 1st place  | 100 points |
| 2nd place  | 90 points  |
| 3rd place  | 80 points  |
| 4th place  | 70 points  |
| 5th place  | 60 points  |
| 6th place  | 50 points  |
| 7th place  | 40 points  |
| 8th place  | 30 points  |
| 9th place  | 20 points  |
| 10th place | 10 points  |

Player of the Year (POY) points will be awarded based on overall, net score ranking within each event except the Match Play and 4-Ball events where using net scores would be impractical. Players may be grouped into divisions and flights, as is appropriate, for the purpose of awarding prizes, but for POY points, all players are ranked together. Thus only one player will receive 100 points for each event. For team events, all members of the team receive the same number of points. For example in a 2-man event, each member of the winning team will receive 100 points. Note also that POY points are based on net score, even for those players who elect to play in a Scratch division.

After determining first place, all ties are handled by totaling points for the affected places and dividing them equally among those tied. For example, if there is a three-way tie for 2nd, points for 2nd, 3rd and 4th are totaled and each player receives an equal share, or 80 points.

Point totals are accumulated from October through September of the following year. Players with the top three totals are awarded pro shop credit as follows:

|           |       |
|-----------|-------|
| 1st place | \$250 |
| 2nd place | \$150 |
| 3rd place | \$100 |
